Sir:

In response to the Office Action of October 31, 2003, Applicants note that the drawing changes requested by the Examiner were filed February 11, 2004. The Office Action, although mailed March 1, 2004 was prepared by the Examiner on February 8, 2004. Apparently the drawing changes crossed in the mail. Accordingly, the response to the outstanding action has already been made.

It is believed that there are no other outstanding requirements. It is therefore respectfully requested that the Examiner pass the application to allowance.

Respectfully submitted,

DYKEMA GOSSETT PLLC
